

SERVICE

SPARTAN SERVICE

Built to save time, the Spartan Service truck body – available on a cutaway or cab chassis – delivers convenience. You'll find compartments and custom shelving to keep you organized, and a large, bright work space providing shelter from the elements while at the worksite. You can even work standing up inside, and the low-profile design allows easy access to your cargo and equipment.

(Shown with optional ladder racks and D-Ring handles)

IDEAL
FOR

Contractors

Construction

Electricians

HVAC

Maintenance

Plumbers

Features

- **Gain added convenience at job sites** by using the horizontal compartment door as a workbench
- **Save time by organizing and storing tools** with up to 5 spacious compartments per side; two adjustable shelves per vertical compartment accommodate bulkier tools and equipment
- **Access your cargo and tools with ease** in our low-profile design that features low floor heights
- **Enjoy a bright work space** with white FiberPanel® PW side wall panels
- **Load large cargo – even sheets of plywood** – with the spacious 48 ½" between the wheel boxes and 48 ½" double-swing rear doors
- **Work comfortably in the cargo area** with our stand-up truck body height interior (72" and 78" heights only)

Options

- **Enjoy more cab room and stand up to move between cab and cargo area** with a top hat with full-height cab-access door (not available on a cab chassis or Ford Transit).
- **Load, store and quickly access long items**, such as PVC, conduit or copper pipe, with a pipe door
- **Organize and store cargo and equipment** with custom interior fixed or adjustable shelves above compartments
- **Save time** by storing and accessing your ladder with a ladder rack and rear-access ladder
- **Get additional towing capabilities** with a hitch receiver

REASONS TO BELIEVE

The Supreme Difference

Innovation at the Forefront

Many of our vehicles are made with our own, specialized FiberPanel® material – available with both a plywood inner core (PW (FRP)) or a lightweight, honeycomb core (HC) – in our state-of-the-art Tower Structural Laminating (TSL) facility using an innovative, patented manufacturing process.

National Presence

Wherever you're located in the U.S., you're always near a Supreme Corporation representative. With seven manufacturing facilities throughout the United States, we can help you find the right truck body to meet your requirements, no matter where you are.

Warranty Policy

We offer one of the best warranties in the business. Our 1-year limited warranty covers white surface and leaks. Our 3-year/36,000-mile limited bulkhead-to-bumper warranty covers repairs and replacement in the event a part is found to be defective. In addition, a 5-year limited structural warranty (roof, wall, and floor structure) lets you know your Supreme truck body is built to last. For additional information, please review our warranty policy.
