

DRY FREIGHT

INER-CITY®

Supreme sets the benchmark for cutaway truck bodies. Featuring a cab-access door, flat floor, and tight turning radius, our tough, sturdy Iner-City cutaway is ideal for shorter, multi-delivery routes, effortlessly carrying your cargo. Versatile and rugged, the Iner-City helps you get through the workday with dependable efficiency.

(Shown with optional E-Track and one-way poached step bumper)

Features

- **Access your cargo without leaving your truck** with a cab-access door
- **Select the best side wall for your business requirements** from 4 side wall options (availability based on size of truck body)
- **Minimize front-wall damage** with a durable FiberPanel® PW (FRP) front wall
- **Gain more room** with a flat floor
- **Enjoy a smoother ride** with a puck-mounted body
- **Protect your truck body frame** with durable, molded composite front corner caps (not available on 90" wide)

Options

- **Gain additional storage space** with a cab-over attic
- **Access your cargo with ease** in our low-profile design that features lower floor heights
- **Enjoy a bright interior work space** by adding natural lighting with a translucent roof
- **Save time, money, and maintenance costs** with an aluminum slider ramp for hand-cart loading and unloading, or add a lift gate for heavier loads
- **Secure your cargo** with several cargo control options to best fit your business application

REASONS TO BELIEVE

The Supreme Difference

Innovation at the Forefront

Many of our vehicles are made with our own, specialized FiberPanel® material – available with both a plywood inner core (PW (FRP)) or a lightweight, honeycomb core (HC) – in our state-of-the-art Tower Structural Laminating (TSL) facility using an innovative, patented manufacturing process.

National Presence

Wherever you're located in the U.S., you're always near a Supreme Corporation representative. With seven manufacturing facilities throughout the United States, we can help you find the right truck body to meet your requirements, no matter where you are.

Warranty Policy

We offer one of the best warranties in the business. Our 1-year limited warranty covers white surface and leaks. Our 3-year/36,000-mile limited bulkhead-to-bumper warranty covers repairs and replacement in the event a part is found to be defective. In addition, a 5-year limited structural warranty (roof, wall, and floor structure) lets you know your Supreme truck body is built to last. For additional information, please review our warranty policy.
