

# PLATFORM/ STAKE

Simplify the loading and transporting of a variety of weather-resistant materials with Supreme's Platform truck. Plus, you can easily add removable stakes for extra flexibility in securing cargo. Durable and versatile, it's popular with roofing, lumber, pipe, construction, and lawn care companies, as well as golf courses, nurseries, farms, and park and recreation departments. And with so many choices to consider – from the type of stakes you prefer to the range of bulkheads – we'll work with you to customize the vehicle you need to help make your business work.

IDEAL  
FOR

Roofers

Lumber

Pipe

Municipalities

Lawn Care

Farm and  
Agriculture

## Features

- **Haul heavy-duty cargo** with a durable frame that includes 6" C-channel perimeter, 4" I-beam cross members on 12" centers, and 6" structural longills
- **Protect and secure your cargo from impact** with a  $\frac{3}{8}$ " steel band outside stake pockets

## Options

- **Secure cargo** by adding stakes with wood or steel slats; or fixed or sliding winches with straps to a platform truck body
- **Protect the cab and secure cargo** with different sizes and types of bulkheads (window options available)
- **Gain convenience** with a durable under-body tool box
- **Access your cargo with ease** with swing rear or side stake racks
- **Select the best floor to fit your business needs** – steel and apitong hardwood options available (treated pine is standard)

(Shown with optional removable stake sides)

# REASONS TO BELIEVE

## The Supreme Difference

### Innovation at the Forefront

Many of our vehicles are made with our own, specialized FiberPanel® material – available with both a plywood inner core (PW (FRP)) or a lightweight, honeycomb core (HC) – in our state-of-the-art Tower Structural Laminating (TSL) facility using an innovative, patented manufacturing process.

### National Presence

Wherever you're located in the U.S., you're always near a Supreme Corporation representative. With seven manufacturing facilities throughout the United States, we can help you find the right truck body to meet your requirements, no matter where you are.

### Warranty Policy

We offer one of the best warranties in the business. Our 1-year limited warranty covers white surface and leaks. Our 3-year/36,000-mile limited bulkhead-to-bumper warranty covers repairs and replacement in the event a part is found to be defective. In addition, a 5-year limited structural warranty (roof, wall, and floor structure) lets you know your Supreme truck body is built to last. For additional information, please review our warranty policy.
