REASONS TO BELIEVE

The Supreme Difference

Innovation at the Forefront

Many of our vehicles are made with our own, specialized FiberPanel® material – available with both a plywood inner core (PW (FRP)) or a lightweight, honeycomb core (HC) – in our state-of-the-art Tower Structural Laminating (TSL) facility using an innovative, patented manufacturing process.

National Presence

Wherever you're located in the U.S., you're always near a Supreme Corporation representative. With seven manufacturing facilities throughout the United States, we can help you find the right truck body to meet your requirements, no matter where you are.

Warranty Policy

We offer one of the best warranties in the business. Our 1-year limited warranty covers white surface and leaks. Our 3-year/36,000-mile limited bulkhead-to-bumper warranty covers repairs and replacement in the event a part is found to be defective. In addition, a 5-year limited structural warranty (roof, wall, and floor structure) lets you know your Supreme truck body is built to last. For additional information, please review our warranty policy.
