

// KNAPHEIDE

ALUMINUM KUV^{cc} BODIES

**Body shown with optional equipment.*

// STANDARD FEATURES

- A** Body has an aerospace design and assembly for unmatched durability. Composed of military-grade aluminum extrusions
- B** Compartment shelving rated at 250 lbs. capacity with adjustable dividers
- C** Galva-Grip bumper with KnapLiner for increased grip, durability, and corrosion resistance
- D** Surface mount rear lighting system features LED S/T/T, B/U, and LED strobe option with (8) selectable patterns, and built-in reflectivity for additional safety. Automotive door seal
- E** Two rear lockable conduit chutes providing quick access for longer items
- F** Solid rear doors are standard, providing increased security. Underlap rear door features an interior release handle that is ergonomically friendly
- G** Knapheide (or OEM) white paint on exterior, compartment interiors, and cargo area of service body
- H** Automotive-quality, paddle-activated rotary style latches make opening and closing easy, providing access to spacious side compartments

Other options/features not shown:

- LED strobe lights installed on front grille provide increased visibility
- Compartment doors feature an inset door frame with a double tray door design providing increased strength. Nitrogen gas strut door retainers and a continuous aluminum hinge with stainless steel rod provide another level of security with their pry-proof and corrosion-resistant quality
- LED compartment lights provide ample light to find tools and cargo stored in your truck body. These compact lights are installed to provide maximum output without interfering with tool or part storage
- Power locks offer enhanced operator convenience. Lock all compartment doors with the push of a button
- Grab handles installed at the rear of the vehicle provide an extra level of safety to users
- Interior LED dome light provides ample lighting for interior cargo area

// NEVER SETTLE

If you are going to be a leader, it takes more than building a high-quality product. It means never being totally satisfied with that product, no matter how high quality it may be. It requires constant vigilance and a willingness to take a chance on something new. And it means exceeding expectations every time. As the industry changes, one thing never will—our commitment to making customers like you as productive and efficient as possible. We know you don't settle, and we don't either. That's why we want you never to settle for anything less than Knapheide on the back of your truck.

Knapheide. Never settle.
