

ROCKY  RIDGE

Ford F-250

The Ford Super Duty series trucks feature some of the most aggressive looks of any truck on the market. That gives us quite a challenge, but we are certainly up to the task. We couple a 6" lift with 20" or our optional 22" wheels. 37" tires finish the dominating stance while our powered running boards give a touch of practicality as you climb inside. All of this is packaged together with full re-calibration and warranty.
