KNAPKAP

KNAPHEIDE KNAPKAP TRUCK TOPPERS

With the most comprehensive lineup of commercial toppers, there is a KnapKap to fit any need. All of our toppers feature secure storage and a wide range of configurations.

KnapKaps are offered in two series: the Utility Series and the Pro Series. Each contain four products, which you can customize to create the best configuration for your job.

When you need a tough, quality commercial truck topper, look no further than the KnapKap.

// UTILITY SERIES

With standard or optional full, double rear doors and large side doors, the Utility Series will enhance your cargo access and organization to get more done in a day's time.

If you're looking for a commercial truck topper with the best features and function, then one of our KnapKap Utility Series toppers is for you.

// SUPREME UTILITY KNAPKAP

// ULTRA CAB HIGH UTILITY KNAPKAP

// HDS (Heavy Duty Steel) KNAPKAP

// ACU (Aluminum Commercial Utility) KNAPKAP

// PRO SERIES

The Pro Series is characterized by a half rear door that works in conjunction with your factory tailgate.

With industry leading style, features and function, a topper from the KnapKap Pro Series is an easy choice.

// SUPREME UTILITY

KNAPKAP

Get the most out of your pickup with the KnapKap Supreme Utility. Commercial grade reinforced fiberglass, oversized doors, accessibility, durability and lightweight construction make this KnapKap the best commercial topper available.

**Body may be shown with optional features*

APPLICATION

Fits full-size, 8' bed pickup trucks

**See our Compatibility Matrix for model availability*

WEIGHT: 320 lb.

HEIGHT: 28" above frame rail

LENGTH: 101"

WIDTH: 73"

SIDE DOOR OPENING: 79.5"Wx22"H

REAR DOOR OPENING: 49"Wx44.4"H

STANDARD CONFIGURATION

- Oversized, reinforced fiberglass side access doors with automotive 3-point latching T-handles
- Double, full recessed rear doors with no windows, with automotive 2-point latching paddle handle
- Solid front (no window)
- Full length, heavy duty stainless steel hinges
- Roof is reinforced for ladder racks with 500-lb. capacity
- Molded drip rail around side doors with an automotive grade seal to prevent leaks
- Automotive grade double seal between KnapKap and truck bed
- Impact-resistant cover on inside of rear doors
- LED dome light with door-activated switch
- Base coat, clear coat, automotive color-match paint
- LED third brake light
- Molded with advanced structural composites (ASC). ASC is a special blend of FRP, consisting of polymer resin reinforced with glass for one of the highest strength-to-weight ratios in the automotive industry.

OPTIONS

- Front window with security screen
- Tinted radius rear windows with security screens
- LED side door lights with door-activated switch
- No-drill mounting system
- Side toolbox options
- Backup camera
- Sortimo Boxes for organization
- Ladder rack (Prime Design)
- Strobe light bracket (for Prime Design rack)
- Material rack
- Interior ladder rack (Jet Rack)
- CargoGlide options

KAPSULE OPTION

Add the Kapsule option to turn your Supreme Utility into a fully enclosed unit.

- Fully utilizes bed space for maximum storage. Full 49" width between wheel wells.
- Easy install and transfer from one truck to another
- All Supreme Utility options available
- Adds 150 lb. to unit weight

// **ULTRA CAB HIGH UTILITY** **KNAPKAP**

Designed to match the cab height of your truck, the KnapKap Ultra Cab High Utility is light, efficient and durable. Double vertical rear doors increase your efficiency by giving you full access to your cargo.

**Body may be shown with optional features*

APPLICATION

Fits mid-size and full-size pickups with short or long beds

**See our Compatibility Matrix for model availability*

The Ultra Cab High Utility is specifically molded for the shape and height of your truck.

OPTIONS

- KnapRug headliner
- 12V interior light

STRONG, LIGHTWEIGHT CONSTRUCTION

The core of every Pro Cover is a resin-reinforced honeycomb fiberboard. Combined with two layers of fiberglass, the Pro Cover is an excellent combination of strength and lightweight construction.

NEVER SETTLE

If you are going to be a leader, it takes more than building a high-quality product. It means never being totally satisfied with that product, no matter how high quality it may be. It requires constant vigilance and a willingness to take a chance on something new. And it means exceeding expectations every time. As the industry changes, one thing never will—our commitment to making customers like you as productive and efficient as possible. We know you don't settle, and we don't either. That's why we want you never to settle for anything less than Knapheide on the back of your truck.

Knapheide. Never settle.
