

NISSAN NV GLASS RACK

Weight capacity: 1,000 lbs per side
Available for standard and high roof models

2-inch wide padding runs entire length of horizontal slats

Top of rack mounts to full length channel

Optional roof rack available - does not connect to glass rack

Three T6-Adjust-A-Poles with five fully-adjustable black rubber cleats

Strong 1/8-inch thick 6061 T6 aluminum posts and slats

Rubber padding from top to bottom of vertical posts

Splash panel protects glass from water and debris

Padded, removable front stop

Fully usable, 5-inch deep glass support ledge with rubber block pads

Optional removable wheel skirt simplifies tire changes

Dual pole settings on ledge for securing glass of varying thickness

Upgrade to Premium T6-Super-Poles with Supertruck System 2 scissor-style cleats

Galvanized, load bearing under-body mounts support rack and reduce vehicle wear

Nice Rack Campaign to Fight Breast Cancer

For every glass rack sold we'll make a donation benefiting the Central and South Jersey affiliate of Susan G. Komen®

Superior Fabrication with Huck® Aircraft-Grade Mechanical Fasteners

Won't crack like welded aluminum or loosen from vibration like nuts, bolts and screws

We're Here to Save Your Glass!

Specifications subject to change
Some optional equipment shown
