PJ

TRUCK BEDS

STANDARD FEATURES

DURABLE POWDER COATING

Undoubtedly the most important part of a truck bed, our multi-step powder coating is one of the best in the business. We utilize a gel coat powder base with a super durable powder coat top coat, far superior to most bodies on the market today.

REAR SKIRT STEPS

Looking for a better way to get on your deck? Look no further than the EZ Step from PJ Truck Beds. No flat deck truck body in the business has an easier way to access the deck than a PJ, large enough to place your entire foot into it so that you don't have to worry about slipping off of a rear step.

HEAVY DUTY HITCHES

Designed and engineered by a real hitch manufacturer, our hitches are designed, manufactured and installed to tow the heaviest of loads. When you tow with a PJ Truck Bed, you won't have to worry about hitch ratings—we do that for you!

AIRLINE TRACK TIE DOWNS

Standard on all GH and GT models, you will not find a better way to tie down than our best in class airline track tie downs. These tie downs are fully adjustable, heavy duty, and allow you to tie down anything that you can with the conventional weld in D ring tie down systems.

MODULAR SEALED WIRING HARNESS

Electrical system corrosion remains one of the leading causes of bad user experience in truck equipment. With PJ Truck Bed's industry leading sealed wiring harnesses, you won't have to worry about the corrosive chemicals that impeded electrical systems in our bodies.

STEEL TUBE HEADACHE RACKS

One piece, heavy-duty, headache racks are fully welded, provide strength and keep you safe from shifts in cargo. When looking for a truck body, it's about more than angles and channels, it's about the strength of the tube and the protection due to cargo shifts.

LED LIGHTING

No doubt you want safety, longevity, and ease of maintenance. With the Optronics LED lighting from PJ Truck Beds, you get all three in one. Our LED lights are brighter, last longer, and look better than many LED lighting systems on the market. They are also easier to replace than other light fixtures, and to top it all off, they come with a lifetime guarantee.

ABOUT PJ TRAILERS

Established in 1991, PJ Trailers has become the premier trailer manufacturer in North America. The PJ Trailer brand is synonymous with high-end, superbly constructed trailers. We manufacture Flatdecks, Deckcovers, Tilts, Dumps, Carhaulers, Utilities, Truck Beds and Service Bodies. Our trailers are equipped with premium components and feature a 3-year frame warranty.

- Broad Line of Dumps, Flatdecks, Utilities, Tilts, Equipment Trailers, Truck Beds and Service Bodies
- Over 300 Independent PJ Trailers Dealer Locations in the US & Canada

GB

STANDARD STEEL TRUCK BED

A price leader, the GB comes equipped with a best-in-class tubular steel headache rack, a solid rear skirt with tapered corners, and side rails with stake pockets.

Model	GB
Lengths	84", 8'6", 9'4", 11'4"
Headache	Rack Steel Tube
Headache Rack Lighting	LED Oval (2 Red, 2 White)
Deck	1/8" Treadplate
Frame Rails	4" Structural Channel Steel
Crossmembers	3" Roll formed 3/16" Channel Crossmembers
Rear Skirt	Solid One Piece with Tapered Corners
GN Hitch	30K Hitch with welded Ball In Recessed Box
BP Hitch	18,500 lb. Hitch with Receiver tube

Side Rails	3/8" x 2" side rails with stake pockets
Fuel Fill	Angled
12V Trailer Plug	Round 7 Pin in GN Box, Round 7 Pin/4 Way Flat on Rear
Rear Lighting	LED Oval (4 Red, 2 White)
Light Box (Rear Skirt)	Steel
Marker Lighting	Bullet DOT Approved LED
Toolbox	Optional Underbody
Toolbox handle	T-Handle Compression
Additional Features	Drop-in & Fold Down Side Rails Optional

GS

SKIRTED STEEL TRUCK BED

Tough enough for big loads, the GS is professional-grade workhorse with a best-in-class tubular headache rack, LED lighting, top-rated B&W hitches, and integrated toolboxes.

Model	GS
Lengths	84", 8'6", 9'4", 11'4"
Headache Rack	Steel Tube
Headache Rack Lighting	LED Oval (2 Red, 2 White)
Deck	1/8" Treadplate
Frame Rails	4" Structural Channel Steel
Crossmembers	3" Roll formed 3/16" Channel Crossmembers
Rear Skirt	Solid One Piece with Rear Step
GN Hitch	30K Hitch with welded Ball In Recessed Box
BP Hitch	18,500 lb. Hitch with Receiver tube
Side Rails	3/8" x 2" side rails with stake pockets
Fuel Fill	Angled

12V Trailer Plug	Round 7 Pin in GN Box, Round 7 Pin/4 Way Flat on Rear
Rear Lighting	LED Oval (4 Red, 2 White)
Light Box (Rear Skirt)	Steel
Marker Lighting	Bullet DOT Approved LED
Toolbox	(4) Standard
Toolbox handle	T-Handle Compression
Fenders	Steel
Side Steps	In front of and behind fender
Additional Features	Drop-in & Fold Down Side Rails Optional

GT

UTILITY STEEL TRUCK BED

The GT comes in four lengths with a 48" width deck, is designed to haul trailers from bumper or gooseneck positions, and features an opossum belly and large toolboxes.

Model	GT
Lengths	84", 8'6", 9'4", 11'4"
Headache Rack	Steel Tube
Headache Rack Lighting	LED Oval (2 Red, 2 White)
Deck	1/8" Treadplate
Frame Rails	4" Structural Channel Steel
Crossmembers	3" Roll formed 3/16" Channel Crossmembers
Rear Skirt	Solid One Piece with Rear Step
GN Hitch	30K Hitch with welded Ball In Recessed Box
BP Hitch	18,500 lb. Hitch with Receiver tube
Fuel Fill	Angled
12V Trailer Plug	Round 7 Pin in GN Box, Round 7 Pin/4 Way Flat on Rear

Rear Lighting	LED Oval (4 Red, 2 White)
Light Box (Rear Skirt)	Steel
Marker Lighting	Bullet DOT Approved LED
Toolbox	Utility Box in Front, Top open Shovel Box on top, chain box in rear-both sides

Additional Features	Trough in center for convenient hookup

GL

PLATFORM STEEL FLATBED

The GL model is the ultimate heavy duty stake body for users wishing to perform industrial deliveries with their body and have the ability to add stake sides. This body is not intended for use with a gooseneck trailer.

Model	GL
Lengths	12'-18' = Standard Duty 20'-24' = Heavy Duty
Headache Rack	Formed Bulkhead with Punched Grill
Deck	12'-18' = 1/8" Treadplate 20'-24" = 3/16" Treadplate
Frame Rails	12'-18' = 4" Structural Channel Steel 20'-24' = 8" Channel Steel

Crossmembers	12'-18' = 3" Roll Formed Channel Steel, 20'-24' = 4" Channel Steel
BP Hitch	ICC Optional
Side Rails	3/8" x 2" Side Rails with Stake Pockets
Marker Lighting	Bullet DOT Approved LED
Toolbox	Optional Underbody
Additional Features	3/16" Heavy-Duty Deck, Stake Sides, Color Primer Only

GLS

PLATFORM STEEL FLATBED

Similar to the GL, the GLS is an efficient and affordable platform bed built to be durable and take on any workload or abuse.

Model	GLS
Lengths	12'-18'
Headache Rack	Formed Bulkhead with Punched Grill
Deck	1/8" Treadplate
Frame Rails	4" Structural Channel Steel
Crossmembers	3" Roll formed 3/16" Channel Steel

BP Hitch	ICC Optional
Side Rails	Smooth Sides w/ Internal Stake Pockets
Marker Lighting	Bullet DOT Approved LED
Toolbox	Optional Underbody
Additional Features	3/16" Heavy-Duty Deck, Stake Sides, Color Primer Only

ALGB

STANDARD ALUMINUM TRUCK BED

Built to haul the toughest, biggest loads, the ALGB is an expertly designed, professional-grade workhorse that comes in multiple sizes to fit nearly any truck chassis.

Model	ALGB
Lengths	84", 8'6", 9'4", 11'4"
Headache Rack	Aluminum Tube
Headache Rack Lighting	LED Oval (2 Red, 2 White)
Deck	Extruded Aluminum Floor
Frame Rails	4" Structural Channel Steel
Crossmembers	3" Roll formed 3/16" Channel Crossmembers
Rear Skirt	Solid One Piece with Tapered Corners
GN Hitch	30K Hitch with welded Ball In Recessed Box
BP Hitch	18,500 lb. Hitch with Receiver tube

Side Rails	3/8" x 2" side rails with stake pockets
Fuel Fill	Angled (Cast Aluminum)
12V Trailer Plug	Round 7 Pin in GN Box, Round 7 Pin/4 Way Flat on Rear
Rear Lighting	LED Oval (4 Red, 2 White)
Light Box (Rear Skirt)	Aluminum
Marker Lighting	Bullet DOT Approved LED
Toolbox	Optional Underbody

Additional Features	Drop-in & Fold Down Side Rails Optional

GU

STEEL SERVICE BODY

The steel GU service body is unparalleled in quality, with long-lasting hardware, clean welds and powder coating, and remarkable durability. Tight-closing T compression latches and snug rubber gaskets protect equipment well.

Model	GU
Deck	11 Guage Galvaneal
Body	16 guage galvaneal
Fender Panel	Removeable
Door Hinges	Stainless Steel Rod & Socket
Door Holders	Gas Cylinder Style
Rear Lighting	LED w/ Wiring Harness
Rear Bumper	Recessed
Compartment Tops	1/8" Treadbrite Aluminum
Rotary Latches	Automotive Stainless Steel
Vise Socket	In Bumper
Conduit	In Understructure

Mounting Kit	Universal Body and Bumper
Bulb Stripping	Automotive D Bulb
Doors	Multi Panel with Internal Reinforcements
Toolbox	Interior Powder Coated
Tail Gate	Heavy Duty
Shelves	Two In Front, One In Rear
Body Coating	100% Primer & Top
Deck & Bumper Coating	Black Lava Non Slip
Flip Top Tool Boxes	Optional - Available On Either or Both Sides
Options	Masterlock, Ladder Rack, Drawer Systems, Rope LED Toolbox Lighting

GUA

ALUMINUM SERVICE BODY

The aluminum GUA is a lighter weight option for people looking for the utility of a service body in a more fuel-efficient material. Rust and corrosion resistant, and yet remarkably strong.

Model	GUA
Deck	.125 Smooth Aluminum
Body	.090 Aluminum
Fender Panel	Removeable
Door Hinges	Stainless Steel Rod & Socket
Door Holders	Gas Cylinder Style
Rear Lighting	LED w/ Wiring Harness
Rear Bumper	Recessed
Compartment Tops	1/8" Treadbrite Aluminum
Rotary Latches	Automotive Stainless Steel
Vise Socket	In Bumper
Conduit	In Understructure

Mounting Kit	Universal Body and Bumper
Bulb Stripping	Automotive D Bulb
Doors	Multi Panel with Internal Reinforcements
Toolbox	Interior Powder Coated
Tail Gate	Heavy Duty
Shelves	Two In Front, One In Rear

PJ TRUCK BEDS

From top to bottom, our truck beds are truly built to last. Channel crossmembers, channel frame, steel treadplate deck, and rock solid welds make our beds tough as nails. But just being tough isn't enough. That's why our truck beds incorporate a cab profile headache rack, flushmount lighting, a contoured rear bumper, and our legendary TexArmor Powder Coat Finish.
