LIGHT DUTY

LIGHT LANDSCAPING, GENERAL CONTRACTING & GENERAL MAINTENANCE
AVAILABLE IN 9' TO 12' (2 yd to 4 yd) SIZES

HEAVY DUTY

HEAVY LANDSCAPING, CONCRETE CONTRACTING & GENERAL MAINTENANCE
AVAILABLE IN 9' TO 20' (3 yd to 6 yd) SIZES

J-CRAFT's MAGNA Contractor Dump Bodies offer features you need to make your business a success. With heavy duty floors, tailgate, single or split fold sides and a robust structural understructure, the J-CRAFT Contractor Dump Body was designed and built to handle all the demanding tasks that can be thrown at it day-in and day-out.

The J-CRAFT MAGNA is a ruggedly built workhorse, as well as an economical solution, with many options and accessories available for General Contractors, Landscapers, Utility or Maintenance workers demanding jobs.

STAINLESS STEEL PACKAGE

Designed for: Landscaping & General Maintenance in Corrosive Environments

CUSTOM DESIGNED EXTREME PACKAGE

Custom designed for your specific application. The Extreme Package shown here includes the Optional Sliding Tailgate, which helps control metering of salt, sand, pea gravel and other materials. It also helps you access mulch, sand, asphalt and other materials without raising the body!

OPTIONAL ACCESSORIES

Patchgate

Underbody Toolbox

Strobe Lights

Hitch

Aluminum Back-Pack

Cab Shield

J-CRAFT HOIST

- 8 to 21 foot bodies

LIGHT LANDSCAPING, GENERAL CONTRACTING & GENERAL MAINTENANCE

The proven J-Craft hoist is engineered for easy installation, ease of operation, safety and long service life. Its low profile adds no body height, keeping the load low. The hoist is designed with a far-forward lift point, providing easier load elevation and greater stability.
